

Freeman School Report Card Letter

September 2009

Dear Freeman Families,

At Freeman Elementary School we remain committed to our mission: "Working Together for Success for All Students." I continue to be proud of our staff's efforts to ensure that all of our students are achieving every day. I would also like to compliment our families for supporting their children academically and socially.

The Illinois School Report Card is a summary of the Illinois Standards Achievement Test (ISAT) which is administered once a year and provides parents, schools and the community feedback on how students are performing in specific subject areas. Students in third and fifth grades are tested in reading and math. Students in fourth grade are tested in reading, math and science. Students in fifth grade are also tested in writing. Forty-five students in the grades assessed are needed to create a subgroup. State subgroups include Ethnicity, Limited English Proficient, Students with Disabilities and Economically Disadvantaged. At Freeman, we currently have three subgroups; Hispanic, Limited English Proficient and Economically Disadvantaged. The state Adequate Yearly Progress (AYP) for 2008 was 70% and will be 77% in 2009. With targets increasing yearly, the overarching goal is for **all** students to meet or exceed 100% of the standards in reading and math by 2014.

Our students continue to improve in reading, math and science. However, Freeman School did not make Annual Yearly Progress (AYP) this year because one sub-group (*Economically Disadvantaged*) did not meet the benchmark of 70%. Therefore, we must continue to improve our teaching and learning processes.

As we address our school improvement agenda we will:

- Conduct regular, focused discussions to assess our teaching practices and dialogue with one another through grade-level and school-wide meetings
- Continue to implement a full 90-minute block of uninterrupted reading instruction
- Provide intervention blocks at every grade level to support differentiated instruction
- Make inquiries and progress monitor interventions of students not meeting identified targets
- Provide training opportunities that are necessary for teachers, administrators and support staff to remain current about best educational practices
- Utilize the School Improvement Team (SIP) to monitor and evaluate the program needs within our building
- Promote parent involvement to provide support and ideas for increased learning opportunities
- Analyze, monitor and interpret assessment data to develop better instruction
- Offer enrichment curriculum through a Enrichment Resource Teacher to our identified 4th and 5th grade students
- Continue to implement Positive Behavioral Interventions and Supports to support social/emotional learning

We look forward to this school year as all of us, together, continue our journey of maintaining an academically strong and socially responsible learning community for our Freeman children.

Sincerely,

Michael S. Smith, Principal

ILLINOIS
SCHOOL
REPORT
CARD

GRADES : K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION													
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	56.3	14.0	22.3	0.5	0.2	6.7	31.1	1.9		0.8	11.8	95.7	579
District	33.7	16.3	44.2	2.4	0.2	3.2	42.8	14.8		1.7	20.6	94.5	11,953
State	53.3	19.1	20.8	4.1	0.2	2.5	42.9	8.0		3.7	13.5	93.7	2,070,125

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$146,696	3.56	\$5,713	\$9,163
State	**	**	\$6,103	\$10,417

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

2009 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	No	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	No	2009-10 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2009-10 State Improvement Status	Academic Early Warning Year 1

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2008.

** Safe Harbor Targets of 70.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.
